■ Where lodged for delivery from a place not more than 50 km (radial distance) from the Post Office of lodgment irrespective of zone.

▲ For parcels over 1kg, charges will be based on the 'deemed weight' where this is greater than the actual weight. The 'deemed weight' is the parcel's volume in cubic metres multiplied by 250. Cubing may also apply under certain circumstances to parcels over 500g.

Where an article is lodged which is in excess of the weighing capacity of an Australia Post Office, an agreed charge will be applied which is fair and reasonable in all the circumstances.

Where agreement cannot be reached, the office may refuse to accept the article.
